3. Privacy Policy

Sturminster Newton Town Council is committed to protecting and respecting the privacy of everyone and of ensuring it is fully compliant under the General Data Protection Regulation.

This policy (together with any other documents referred to within it) sets out the basis on which any personal data we collect, or is provided to us, will be processed. The following policy sets out the Town Council's practices regarding the collection and processing of personal data and how we treat it.

3.1. Personal Data we may collect:

"Personal data" is any information about a living individual which allows them to be identified from that data (for example a name, photographs, videos, email address, or address). Identification can be directly using the data itself or by combining it with other information which helps identify a living individual. The processing of personal data is governed by legislation relating to personal data which applies in the United Kingdom including the General Data Protection Regulation (GDPR) and other legislation relating to personal data and rights such as the Human Rights Act.

3.2. Data Controllers:

Sturminster Newton Town Council is the data controller for all data collected.

3.2.1. Other data controllers the council works with:

- Town, District and County Councillors
- Local Groups and Organisations
- Sports Clubs
- DCC Occupational Health
- North Dorset District Council
- Dorset County Council
- Funeral Directors
- Stonemasons
- Charities
- Contractors

We may need to share personal data that we hold with them so that they can carry out their responsibilities to the Council. If we and other data controllers listed above are processing data jointly for the same purposes, then the Council and other data controllers may be "joint data controllers" which means that we are all collectively responsible for the data. Where each of the parties listed above are processing data for their own independent purposes then each of us will be independently responsible.

4. Individual rights and their personal data

There are no fees or charges for the first request but additional requests for the same personal data or requests which are manifestly unfounded or excessive may be subject to an administration fee.
