¹ An application will qualify as being by or for a "resident" if either:

- a) the applicant (or one of them) currently lives in the civil parish of Sturminster Newton; or
- b) the deceased person to whom the application relates lived in the civil parish of Sturminster Newton when he or she died or had done so at any time within the three years immediately prior to death.

² Up to two coffin burials may be made in a plot.

³ The number of interments of cremated remains in these plots (or in double-depth grave spaces) is limited only by the plot size and the requirement that no prior interment be disturbed.

⁴ A reduced fee will normally be agreed on special application where exclusive right in a plot (whether for coffin burial or interment of cremated remains) is wanted for burial of a child's remains. The exact fee will depend on the circumstances.

⁵ For this purpose "child" means any person under 18 years of age at the date of death.
