APPLICATION TO BUY AN EXTENSION TO EXISTING EXCLUSIVE RIGHT OF BURIAL

This form is used to purchase an extension to the term of an existing "exclusive right of burial". Whatever term was originally granted, extensions for an additional 25 years can be bought. The Council will not normally allow this until there is less than ten years remaining of the original term.

Applications can only be made by the person or persons presently registered with the Council as the owner or owners of the existing right. If the last registered owner has died, an application to register the transfer of the right to the current owner(s) must be made before this application can be considered (which will involve a separate form and fee).

Buyer (Must be the owner(s) of the existing right and no more than four in number.)
