## NOTICE OF INTERMENT

This form is used to tell us when an interment is planned in the cemetery at Newton, Sturminster Newton, Dorset. By law it must be given to us BEFORE the interment takes place. Furthermore, where an interment is sought in a specific plot to which the "Exclusive Right of Burial" has been granted, **every** current owner of the Right **must** sign this form (unless the remains are of a person who was an owner of the Right at the date of death). Exclusive rights in a plot can be bought at the same time but a separate application to buy will be needed (and a separate fee will be payable for this).

If the right has not already been bought, interment in a "common grave" can be arranged instead. This will be cheaper overall but unless and until the Exclusive Right to that grave is bought, no memorial can be placed on it and the Council can give no guarantee that it will be possible for the Exclusive Right to be bought at a later date.
