APPLICATION TO BUY EXCLUSIVE RIGHT OF BURIAL

This form is used to purchase "exclusive right of burial" (for a term of 50 years) in a specific plot in the cemetery at Newton, Sturminster Newton, Dorset. This can be done either when an interment is being arranged or in advance.

(Please note that separate applications must be made for each interment in the plot and for approval of each memorial or additional inscription).

The plot reserved can be either a full-sized plot for burials in the main part of the cemetery or small plots for the interment of ashes only in the Garden of Remembrance (in each case, there are separate areas for interment in consecrated or unconsecrated ground). The purchaser will receive a certificate which acts as both receipt for payment and notification of the designation of the plot reserved. The Council will make reasonable efforts to accommodate the wishes of purchasers regarding the location of plots reserved but the choice may be constrained by the layout of the cemetery and management considerations. Up to two coffin burials can be made in a burial plot. The number of interments of cremated remains in either type of plot is limited only by the need to avoid disturbing any previously interred remains. A full schedule of fees can be obtained from the council office or the council's website.

Buyer	
(Please take care when completing this section as the person named here, <u>and only that person</u> , will have the legal right to authorize interments in the plot and install memorials. In the case of joint buyers, all will need to agree to any interments and memorials. No more than four people can share the rights to a grave at any time)
