District Councillor's Report January 2019.

Due to the 4 week cycle of Planning Committee meetings we met twice this month, the first included the vexed issue of the field at the Bull Inn, this was originally included in the Draft Neighbourhood Plan but at the Examination Process the Inspector was unhappy with aspects of this and it was removed at his request and so the application had to be decided by the NDDC Planning Committee, they gave it their approval subject to the provision of one house to be tied to the Bull as managers accommodation and improvements to the Bull itself. At the second meeting there were no local issues.

I sat on a Licensing Sub-Committee where 3 members of the License and Orders Committee are asked to decide a license application that has raised issues with the Licensing Officer, the Police or neighbours and as with planning applications these hearings are Quasi-Judicial, meaning that our decision can be challenged in court and so they have to be taken seriously and can be difficult when the parties involved have already fallen out!

The Shadow Dorset Council met to formally adopt the new Constitution for the new Unitary Dorset Council and much discussion was held on proposed new Protocol of access to the Planning Department by Town and Parish Councils resulting in revised wording reverting, in effect, to the current system of direct input to the Planning Department as a Statutory Consultee.

Cllr Victor Fox. NDDC.

County Councillors Report January 2019

A new year and a new Council as from 1st April. The existing Councillors will continue in post until 2nd May with the Shadow Council and Shadow Executive Committee having responsibility for running the new Council until a new set of 82 Councillors have been elected. The new Ward of Blackmore Vale takes in the parishes of Pulham, Mappowder, Hazelbury Bryan, Fifehead Neville, Woolland, Ibberton, Okeford Fitzpaine, Lydlinch and Ibberton and replaces the former Lydden Vale Ward of North Dorset District Council which in turn is part of the Blackmore Vale Division of the County Council. Glanvilles Wootton becomes part of the Sherborne Rural Ward. The plan is to save money and deliver a more efficient service to residents by operating more efficiently with fewer managers, fewer councillors (saving £500,000 pa.) fewer buildings and continuing and growing use of electronic means of communications. As I have said before, the biggest budget items are Children and Families and Adult Social Care taking three quarters of the income of the current County Council.

Before Christmas the County Council received a large sum of money towards our high cost of road repairs so please make sure you report the areas and potholes which are worrying you - either report on line (dorsetforyou) or by telephone to 01305 221000. The Shadow Council have agreed a Highways Maintenance Programme for

the next two years who indicates resurfacing or surface dressing to a number of roads in our area. I try and drive around most of the lanes in my Division every month or so, in addition to the direct journeys I may make, and am pleased to see how some of them have been improved over the past few months. In particular the dreaded Marsh Lane between Hazelbury Bryan and Ansty has received long overdue treatment although the water leak at the Hazelbury Bryan end is still a problem causing surface erosion and needs sorting.

An Enquiry Day into the service which children with special educational needs (SEND) get from the County. Councillors met with children, their parents and carers, head teachers, practitioners and those who commission services to hear what works and what does not work. In the absence of more money from central government for SEND Councillors are determined to see what can be done to make the existing funds go further and be used more effectively.

My attention was drawn this month to the work of The Prince's Countryside Fund which has grants of up to £50,000 available for projects that will provide a long-term positive impact to the individuals and communities they seek to benefit. The Trust provides funding towards projects affecting areas of greatest rural need. The grants aim to sustain rural communities, improve the prospects of viability for farm and rural businesses and support the delivery in an emergency and build resilience. For more information look at their website but it may be of value to people in our community. The closing date for the current round of applications is in February.

During the coming month I will be at:

Pulham Coffee Morning on Saturday 2nd February at 10.30 a.m. the Exchange Coffee Bar at 11.30 a.m.

Hilton Coffee Morning at The Church on 9th February

Okeford Fitzpaine on Saturday 16th February
