

STURMINSTER NEWTON TOWN COUNCIL SCHEME OF DELEGATION

1. Introduction

This scheme of delegation outlines the responsibilities and decision-making processes within Sturminster Newton Town Council. It aims to ensure efficient governance, accountability and transparency, while delegating authority appropriately.

Under the Local Government Act 1972 s101(a) the Town Council has the power to arrange for the discharge of its functions to a committee, sub-committee or officer of the authority.

Delegation of some decisions is an essential part of the efficient operation of the Town Council, which provides a range of services and assets. The Town Council does not have the power to delegate a decision to an individual Councillor or informal grouping of Councillors.

The matters detailed in this document will be delegated on an ongoing basis, until such time as this Scheme of Delegation is reviewed.

2. General Principles:

- a) The Town Council will operate within the legal framework set by relevant legislation and regulations.
- **b)** Decision-making will be conducted in accordance with democratic principles, considering the best interests of the community.
- c) Delegated authority will be exercised responsibly, with due consideration for public scrutiny and accountability.

3. Roles and Responsibilities

3.1 Full Council

Some matters cannot be delegated; these include the following items, which can only be determined by resolution of the Full Council:

- a) Appointing the Mayor and Deputy Mayor in May each year.
- **b)** Adopting and amending Standing Orders, Financial Regulations, Committee Terms of Reference and the Scheme of Delegation.
- c) Approving the Town Council's budget and the precept.
- d) Agreeing the Town Council's Statement of Accounts and Annual Governance Statement.

- e) Authorising expenditure not provided for within the approved budget or otherwise permitted under the Council's Financial Regulations.
- f) Authorising borrowing.
- g) Appointing representatives to outside organisations.
- h) Declaring eligibility for the General Power of Competence.
- i) Confirming the appointment of a new Town Clerk, further to a recommendation from the appointed recruitment panel when a vacancy arises.
- **j)** Making, amending, revoking, re-enacting or adopting by-laws and promoting or opposing the making of local legislation.
- k) All other matters which must, by law, be determined by resolution of Full Council.

3.2 Committees, Sub-Committees and Working Groups

Matters delegated to the council's standing committees, sub-committees and working groups are specified under each Terms of Reference.

3.3 Town Council Officers

Under the Local Government Act 1972 the Town Council 'shall appoint such Officers as they think necessary for the proper discharge by the authority of such of their or another authority's functions as fall to be discharged by them'.

Officers have the role of interpreting and implementing decisions made by the council and its committees/sub-committees/working groups.

Specific decisions can be delegated to Officers by the Town Council, sometimes with the requirement for the Officer to consult with the Mayor (Deputy Mayor in the Mayor's absence), or a Committee Chairman.

In the vast majority of instances, the Officers decision will accord with the views of the Councillors consulted, however the act of delegation to the nominated officer means the decision is theirs and theirs alone. All such delegated decisions will be reported to a subsequent Council meeting.

The Town Clerk is the Council's Proper Officer and in their absence their duties will be fulfilled as shown in the Business Continuity Plan.

Nominated officers can delegate functions to an appropriate staff member, although they retain ultimate responsibility for any decisions made.

Delegated authority must be exercised in accordance with the law, the council's Standing Orders, Financial Regulations and wider policies.
