26/27/087	To receive comments and questions from members of the public
------------------	---

Members of the public spoke in opposition to the proposed change of use of Coles Close green space to allotments:

- The gardens of Rixon Close are small and children have recently started using the green space instead of balls going into neighbouring gardens, so it is more peaceful.
- Land should be found elsewhere for the allotments.
- Parking at Rixon Close is a problem and parking times should be restricted.
- The weather this summer has meant the children are now using the green space as Rixon Recreation Ground is too far away for the children to safely go to play unsupervised.

26/27/088	Apologies for absence
------------------	------------------------------

Apologies were received from Cllr Fraser who was unwell. These apologies were accepted by members.

26/27/089	To approve declarations of interest and written applications for dispensation
