

Amenities Committee 23 September 26

Agenda Item 26/27/166

Dear Town Mayor Councillor Joe Rose, Deputy Mayor Andrew Donaldson and all the other Town Councillors

Greetings. Thank you for all you each do for our Town of Sturminster Newton.

I am writing to you on behalf of Christians Together in Stur which, from time to time, brings together, for various reasons, members of St. Mary's Church, the Vale Methodist Church at Sturminster Newton and the Christian Fellowship.

Last Christmas you may be aware of a display outside the Christian Fellowship building.

We, the members of the three Christian gatherings in Sturminster Newton, would like this display to be more visible in Sturminster Newton, so we are asking you if it could be placed somewhere in the Railway Gardens from the day of the Light switch on?
